National Association of Women in Construction, Boise Chapter #245
PO Box 8451, Boise, ID 83709
www.nawicboise.org

Dear Potential Donor:

The Boise Chapter of the National Association of Women in Construction has been active in the Treasure Valley since 1978. As we strive to meet our core purpose to *strengthen and amplify the success of women in the construction industry*, we look to the generous individuals and businesses right here in our community to assist in our endeavors.

We fundraise to support many of our programs and educational opportunities for our members. Some of those programs and opportunities consist of:

- **Scholarships:** We support students who have chosen an aspect of construction as their career by offering college and trade school scholarships. These scholarships are available to Idaho students seeking a construction related degree or a trade certificate in a construction related field.
- **Community Outreach:** Our Charity committee selects multiple charities to support throughout the year
- **Block Kids:** A national building competition for children in 1st through 6th grade and introduces them to construction careers. Each child is given 100 blocks and the choice of 3 other items (a small rock, string, foil, and poster board) to use their imagination in constructing a structure or project.
- **Professional Development & Education:** We support our members by providing educational opportunities in the form of guest speakers and classes covering various subjects. Along with peer panels and round table discussions.

We would like to ask for your support for our 33rd annual fundraiser during our Awards & Dinner Auction being held on March 16th, 2024. How can you help our fundraising efforts that support our organization and make a difference in our community? Your donated item has the potential to be viewed by our membership and many other supporters of our organization. Our members are all employed in construction including GC's, Subs, Suppliers, Insurance, Accounting, & Trades. Each bidder will see your logo, business description, contact information and in some instances have the ability to link to your website. Sponsors will also be acknowledged on our social media and website.

Your donation will help make a direct impact on the lives of those here in our community and help us continue our efforts. We appreciate your consideration and your support. Donations and pledge forms can be mailed to NAWIC Boise Chapter #245, PO Box 8451, Boise, ID 83707 or e-mailed to mandy@geconstructionllc.com

If you have any questions or wish to donate, please contact Mandy Edwards at 208-869-7638 or email mandy@geconstructionllc.com or Dawn Brubaker 208-859-5976 or email brubakerconsultingllc@gmail.com.

Best Regards,

Dawn Brubaker & Mandy Edwards
